

artiste 2

Artiste 2 stone is the next generation of our popular Artiste stone. With enhanced aesthetics like straight top and bottom edges and beautifully blended new earth tone colours, Artiste 2 delivers a more natural-looking hand-crafted stone appearance. Easier to install with even less waste than the original Artiste, Artiste 2 allows for a variety of configurations by mixing sizes, lengths and combining with other Brampton Brick clay and concrete products.

Artiste 2, Harbour Mist
